# OUR STORY

The Retail Innovation Club is a powerful community of leaders, experts, and innovators in the retail industry with a global network of leading retail brands and cutting-edge retail-tech startups.

We've established the club with a core mission to transform the retail industry through collaboration towards solving mutual challenges, the sharing of our tech knowledge, and creating a common vision.

Our events stimulate innovation across the global retail industry, driving exciting initiatives to market. Join us and experience our club spirit.

# WHY ISRAEL

**Cutting-edge tech** - One of the most vibrant retail tech ecosystem in the world, with over 400 active startups across various tech fields such as: AI, computer vision, robotics, drones, voice, AR/VR, and more.

**Convenience & proximity** - Meet hundreds of startups developing advanced solutions for the global retail industry, all a short drive away.

**Friendly ecosystem** - Highly creative minds and top-notch entrepreneurs looking to share new ideas and collaborate.
